

홈페이지 Citizenship 내용 영문

Citizenship plays an important role in shaping the foundation of Erugo World.

There is no restriction on basic movement even if you visit Erugo World without citizenship, but citizenship is essential if you want various experiences within Erugo World.

Erugo World citizens are divided into a total of five grades, and benefits are added as the grade goes up.

The criteria for the grade are as follows.

<Orbit>

Erugo World's citizenship and can be, living in the World. There is no minimum holding EWC for grade maintenance, but only Rugo, the essential energy needed to achieve and live in the world, needs to be consumed.

Orbit can be realized if it means getting on track and symbolizes the start of the world as a resident.

Orbit can purchase goods from businesses located in Erugo World.

<Ether>

In addition to Orbit's benefits, Ether can communicate with other pioneers who are active in the world, including the all-user chat functionality being unlocked. There is no minimum holding EWC for grade maintenance, such as Orbit.

Ether means a senior and is a symbol of a user who is familiar with Erugo World.

※ If want to use to the housing system, must have at least 3*3 pieces of land.

<Amora>

Amora can start the desired business and engage in external economic activities.

The minimum EWC held to maintain Amora's grade is 100 EWC.

Amora means love and communication, and they are beings that connect all grades in Erugo World.

<Aslan>

Aslan will have the right to explore new markets through discussions with users by suggesting what business items they want.

※ All suggestions are processed through legal discussion after users vote for and against.

The minimum EWC held to maintain Aslan's grade is 1,000 EWC.

Aslan has the will of a lion and a breadwinner and is a leader who achieves and protects the value of Erugo World.

<Axiom>

Axiom can comment on largescale updates, including whether to break into new worlds, including powers from Orbit to Aslan.

※ If you go to a new world for the first time before anyone else, you can receive

rewards accordingly.

Axiom's grade maintenance minimum EWC is 10,000 EWC.

Axiom means to surpass everything, and it can be said that they are the true leaders who achieve and lead the world.
